FOCUS ON PERSONNEL:

SARAH CALLEJA

**ACCOUNTS CLERK,
MALTA UNIVERSITY HOLDING COMPANY**

Sarah went to the Convent of the Sacred Heart school, following which she studied Accounts and Information Technology at Advanced Level at Junior College Sixth Form.

For seven years, she also studied Ballet & Modern dancing and passed exams with the highest grades (Distinction). She never lost her love for dancing, and for this reason she enjoys keeping fit through Zumba lessons, which involves a lot of dancing.

In December she will have been working with the Malta University Holding Company for seven years. Sarah says that during these years, not only has she learnt a lot, but she has also seen the changes the various companies have gone through.

MARITIME SEMINAR

A delegation of 13 Nigerian officials were in Malta from Tuesday 18th to Monday 24th September for a Maritime Seminar organised by MUHC. Maria Bugeja put together a very varied and interesting programme and all the delegates were very satisfied and hope to return to Malta in the near future. The programme included visits to the Malta Freeport Terminals, MEDSERV, Valletta Cruise Port Terminal, the Malta Chamber of Commerce and the Maritime Museum.

MALTA UNIVERSITY CONSULTING STAINED GLASS COURSE

A Stained Glass course run by Joe Meilak was held at the University Residence throughout August and September. The course was very successful, with participants producing a number of highly attractive artefacts throughout the course.
