MALTA UNIVERSITY BROADCASTING

Campus FM has recently enriched its classical music library by over 1,800 cds. This was thanks to Mr. Clive Pearsall, an avid Campus FM listener, who donated his music collection to the station. The collection includes a wide variety of mainstream classical music including operas, concertos, arias, and many classic favourites.

Thank you Mr.Pearsall.

We are currently analyzing additional ways of expanding our business and to utilize our resources to the max.

We would like you to help us promote our services to your clients too.

We wish to promote speaking and conversation classes to our in-house students as we believe that there might be a market for this. We are organising flyers and notices to be displayed in the reception area and on the notice board.

Kindly also inform us of any additional groups that might be interested in a short course that can be tailor-made specifically for them which will help them brush up their English. They would have the luxury of having lessons so close to home.

**FOCUS ON PERSONNEL :  
MICHAEL BROOKES  
ENTERTAINMENT & MERCHANDISING  
COORDINATOR**

Mike is MUHC's Entertainment & Merchandising Coordinator and also works with colleague Louis Faccioli at the 5-a-side complex. His time is divided between our Campus Shop, the Residence at Lija and the Football Pitches on some evenings.

From a football and journalism background in the UK, Mike came to live in Malta in April 2012 and has now been joined by his teenage daughter Olivia who attends college at ITS, studying to be an Events Manager.

After more than 20 years as a Reporter for the BBC, Mike became the Press and PR Officer at the club he supports, Rochdale before moving here to Malta. His big claim to fame came whilst he was at Rochdale when he led the singing of Oasis hit "Wonderwall" from the pitch at Wembley Stadium, in front of over 35,000 spectators, before the team played there.

Initially on coming to Malta he performed a similar role at Paola Hibernians Football Club but since joining MUHC his work there, as a Committee member, is purely on a voluntary basis.

As well as football Mike is a very keen photographer and has provided our various social media outlets with images from the events that we have held, such as the Ring Road Fun Run and Quiz Nights, as well as pictures of the merchandise items that we stock.
