### FOCUS ON PERSONNEL:

**CELAINE BUHAGIAR**

**PROGRAMMES COORDINATOR**

**MALTA UNIVERSITY BROADCASTING/CAMPUS FM**

Celaine Buhagiar started working at Campus FM twelve years ago after graduating in Communications from the University of Malta. She has worked as Programmes Coordinator for the past five years. Her work includes producing programmes, writing scripts and planning the Campus FM schedule each season. For three consecutive years Celaine received awards from the Broadcasting Authority for top programmes for her sports productions as well as children's programmes. She is also the stations' representative within the Broadcasting Authority for good use of the Maltese language. Apart from the communication field and her work on radio, Celaine is also involved in TV work in relation to documentaries. She has also presented several TV programmes, as well as large events such as the Malta Television Awards in three consecutive years.

Celaine loves the artistic aspect of dance, having started dancing at the age of three. She started studying various disciplines including classical ballet, modern dance, choreography, Ballroom and Latin American dancing—the latter of which also led her to represent Malta in Malaysia and the United Kingdom several times. She is a qualified dance teacher and also owns a dance school in Fgura. Her work has led her to receive several honours, including the local championship in Latin American dance, shows during local events including the Malta Song for Europe, Malta Sports Awards and Malta Television Awards, as well as the Malta Arts Festival among others. After her success in winning the Mediterranean Freestyle Championship in 2010, Celaine was invited by RAI to perform with her students at the Ariston Theatre in San Remo, which was one of the best experiences of her career. In February 2013 she won an international competition during the Malta International Dance Championship and is now preparing to represent Malta in April at the Italian Championship in Fiuggi, Italy. Celaine also enjoys travelling. She is married to Pierre Juan Bugeja and lives in Bormla.
