Time: 14.00hrs - 17.00hrs

Speaker: Prof Peter J Baldacchino

AIM AND CONTENTS OF THE SEMINAR

The objective of this Seminar is to discuss the impact of diversity on the corporate governance (CG) of Boards of Directors, particularly that on the CG of larger Maltese companies. This will cover - yet extend beyond - the gender aspect of diversity to other *readily detectable* aspects such as age, nationality and length of tenure. The CG impact of *underlying* aspects of diversity such as those arising from industry-specific, legal, accounting/finance and human resource aspects in Board composition will also be explored using recent findings.

He holds a Ph.D and MPhil from Loughborough University in small-state corporate governance and auditing.
